

Homework assignment #1

1. We want to get going on a company idea for your projects. Upload a single word file to Canvas with your company name, names of founders (max 3), and a short description of company objectives, technical field, and markets. This is your best guess at this time. Max 20 lines.

This is an individual assignment.

General homework rules:

Your solutions must be **typed** single spaced, font size 12. As needed, you can use graphics, figures, tables, etc as appropriate. The format is free; just be organized. If you use someone's figure or material, you must provide complete credit via citation!

List references in a separate bibliography section at the end of your paper as needed.

Grade: Based on completeness, clarity, organization, appearance, English. **Do not plagiarize!** If you copy verbatim material from the web or any source you risk earning a grade of zero for the assignment.

Upload your report as a **single document** to Canvas.

Name your file: **firstname.lastname.HW1**
